Strong relationships.

FANS RANGE

*Experience the gentle
breeze of nature*

Crompton Greaves Limited

Designed for Every Emotion !

Crompton Greaves Fans Division is proud to be the initiator of the Electric Fan revolution that has swept the sub-continent.

The production of fans started with Crompton Parkinson as early as 1937. The Fans Division's 70 years of experience has transformed the concept of the fan from a need, to an object of grandeur.

With a portfolio exceeding over 178 stunning models representing class and style, we've spread far and wide across applications and segments. We have extended our facilities from Bethora and Kundaim in Goa to a new factory at Baddi in Himachal Pradesh. We provide maximum customer satisfaction through a marketing network consisting of 23 branches spread over the country, and 4 regional sales offices in the metros of Delhi, Kolkata, Mumbai and Chennai.

Here's an attempt to inspire your imagination.

FANS RANGE
